Application Number	CL-2044
Affected Facility	WaferTech, LLC 5509 NW Parker St Camas, WA 98607
Description of Facility	This facility manufactures integrated circuits on silicon wafers.
Source Designation	Title V The facility is a stationary source subject to the Operating Permit Program contained in Chapter 173-401 WAC. Facility emissions are greater than 100,000 tpy CO_2-equivalent, 100 tpy of any single criteria pollutant, greater than 10 tpy of any single hazardous air pollutant, and/or greater than 25 tpy of any combination of hazardous air pollutants.
Purpose of Application	SWCAA has received a permit application to install and operate a new boiler, to adjust emission limits, and establish alternate monitoring. The application has not yet been reviewed to determine if it is administratively complete. The SWCAA permit writer identified below will be reviewing the application to make a determination of completeness and, if necessary, make a request for additional information. A copy of the application will be available to the public when the application is determined to be complete.
Affected Pollutants	The proposed permitting action is expected to impact emissions of the following pollutants: *Nitrogen Oxides, Carbon Monoxide, Particulate Matter, Volatile Organic Compounds, Toxic/Hazardous Air Pollutants*
Public Comment Period	A 30-day public comment period on the draft permit will be provided for this application pursuant to SWCAA 400-171(3). When complete, a copy of the draft permit will be made available at the SWCAA business office and posted on the SWCAA webpage under the "Permits and Appeals/Open for Public Comment" section at *http://www.swcleanair.org/permitprelims.asp*. A notice announcing the draft permit will be published in a local newspaper.
Opportunity for Public Involvement	Any person who wishes to review or comment on this application/permit may: • Contact the agency contact person identified below for more information; or • Request a copy of the draft permit via regular or electronic mail when available. Requests for a copy of the draft permit must be submitted to SWCAA in writing via letter, fax, or electronic mail no later than the date specified below; During the 30-day public comment period, any person may: • Provide comment on the draft permit. Comments must be submitted to SWCAA in writing prior to the end of the designated public comment period; or • Request a public hearing for the draft permit. Public hearing requests must be received by SWCAA in writing during the designated public comment period, indicate the interest of the person filing the request, and state why a hearing is warranted. A public hearing will be held if the Control Officer determines that significant public interest exists.
Application Dates	Date received:..... March 31, 2015 Date of public notice: ..... April 7 2015
