

PUBLIC NOTICE

Notice to the public is hereby given that the Southwest Clean Air Agency (SWCAA) is providing a thirty (30) day public comment period for the preliminary determination to issue Air Discharge Permit 14-3111 to WaferTech, LLC. This preliminary determination includes increasing the facilitywide hazardous air pollutants limit from 8.0 tpy to 9.0 tpy, increasing chlorine emission limit, minor modifications to permit conditions, including changes to monitoring and testing requirements, and removal of previously approved equipment. This facility is located at 5509 NW Parker Street, Camas, Clark County, Washington.

Copies of the preliminary ADP and associated Technical Support Document are available for review at 11815 NE 99th Street, Suite 1294, Vancouver, Washington 98682-2322, Monday through Friday from 7:00 a.m. to 5:30 p.m. Electronic copies of these documents are available for review in the permit section of SWCAA's internet website under "Permits & Appeals, Open for Public Comment." This material will be made available in other media, if necessary. All written or oral comments must be received by SWCAA within thirty (30) days after this publication. Final action by SWCAA to approve, modify, or deny the proposal will be taken within ten (10) days after the close of the comment period. If there is a demonstrated significant public interest, a public hearing may be held during the 30-day comment period.
