

PUBLIC NOTICE

Notice to the public is hereby given that the Southwest Clean Air Agency (SWCAA) has made a preliminary determination to issue Air Discharge Permit SWCAA 15-3132 to Mercury Plastics. This preliminary determination allows for the addition of two new bag sealing machines and the relocation of all machines to the location at 3601 SE Columbia Way, Suite 105, Vancouver, Clark County, Washington. The new equipment is a potential source of PM and VOCs from the melting of polyethylene.

The public has an opportunity to review and comment on the preliminary Air Discharge Permit. All written or oral comments must be received by SWCAA within 30 days after this publication. Final action by SWCAA to approve, modify, or deny the proposal will be taken within 10 days after the close of the comment period. If there is a demonstrated significant public interest, a public meeting may be held at the close of the public comment period. The material is available for review at 11815 NE 99th Street, Suite 1294, Vancouver, Washington, Monday through Friday from 7:00 a.m. to 5:30 p.m. or online at <http://www.swcleanair.org/PermitsPrelim.html>.
