

State Environmental Policy Act

DETERMINATION OF NONSIGNIFICANCE (DNS) – SWCAA 17-039

Description of proposal:

ADP Application CL-3031: Installation of a replacement oven burner and increase in approved capacity at an existing rotational molding facility. The proposed project does not involve any excavation, building construction, or substantial expansion of existing operations. This project will not significantly change the facility's existing impact on traffic, noise, glare, housing, or natural resources. Air emissions will be minimized through the use of active emission controls and clean fuels.

Proponent:

Norwesco, Inc. (Dallas Dennis, Plant Manager)

Location of proposal, including street address if any:

3860 Grant Road in Washougal, Washington 98671

Lead agency: Southwest Clean Air Agency

The lead agency for this proposal has determined that it does not have a probable significant impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

There is no comment period for this DNS.

This DNS is issued after using the optional DNS process in WAC 197-11-355. There is no further comment period in the DNS.

This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 15 days from the date below. Comments must be submitted by _____.
