

State Environmental Policy Act

DETERMINATION OF NONSIGNIFICANCE (DNS) – SWCAA 17-041

Description of proposal:

ADP Application CL-3029: Replacement of an existing press #102 and #106 with press #214. There will only be a minor emission increase due to additional natural gas combustion. The VOC limit will not be modified. Proper operation will not result in water quality degradation or significantly increase hazardous waste generation at the facility. No flora or fauna near the facility will be affected by this project. This permitting action is not expected to have any affect on traffic, noise, glare, housing or recreation opportunities.

Proponent:

Hood Packaging Corp. (David Sanzobrin)

Location of proposal, including street address if any:

1401 W. Fourth Plain Blvd.
Vancouver, WA 98660

Lead agency: Southwest Clean Air Agency

The lead agency for this proposal has determined that it does not have a probable significant impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

- There is no comment period for this DNS.
- This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 15 days from the date below. Comments must be submitted by _____.
