### PRESS RELEASE

The Southwest Air Pollution Control Authority Spring period for residential burning of yard and garden trimmings by the private homeowner in Clark and Cowlitz Counties will end at sundown, June 15, 1989. No burning will be allowed during the summer months within all city limits, Clark County Fire Districts #5 and #6, and the Urban Service District area of Clark County Fire District #1.

Burning of natural vegetation, grown on site, is permitted in the remainder of Clark and Cowlitz Counties as follows: Written burning permits are issued by the Department of Natural Resources (DNR) in the remainder of the County Fire Districts, except in the area west of 212th Ave. in District #3 of Clark County.

Natural vegetation debris disposal fires less than 10 feet across can be burned in areas under DNR jurisdiction, without permit, by following the rules. Contact DNR at toll free 1-800-527-3305, Southwest Region, for burning regulations and written burning permit information. Outside the DNR protected area contact the Southwest Air Pollution Control Authority at toll free within Washington 1-800-633-0709.
